Introduction to Agents and Brokers for Plan Year 2022!

*Thank you for your interest in the Marketplace for plan year 2022!**

- To the extent permitted by states, licensed agents and brokers assist consumers in applying for insurance affordability programs, including the premium tax credit and cost-sharing reductions, and enrolling in qualified health plans (QHPs) through the Marketplace.
- Agents and brokers also play a crucial role in educating consumers about the Health Insurance Marketplace®, both during the annual Open Enrollment period and throughout the plan year.

** 45 CFR § 155.20 defines “plan year” as a consecutive 12-month period during which a health plan provides coverage for health benefits. A plan year may be a calendar year or otherwise.*

Introduction to Agents and Brokers for Plan Year 2022! (Continued)

Prior to assisting consumers, you should:

- Understand the standards under [45 CFR § 155.220](#), which authorize agents and brokers to assist consumers with selecting and enrolling in QHPs offered through the Marketplace.
- Be familiar with [45 CFR § 155.260](#), which outlines the limits on how agents and brokers may use any information gained as part of providing assistance to a consumer.

To better understand the standards under 45 CFR §§ 155.220 and 155.260, review the guidance on the Centers for Medicare & Medicaid Services (CMS) [Agents and Brokers Resources webpage](#).
